

FRENCH CAPACITY CERTIFICATES APPENDIX (POWER)

Applicability of the French Capacity Certificates Appendix. This French Capacity Certificates Appendix to the General Agreement (inclusive of this French Capacity Certificates Appendix's Annexes) modifies, supplements and amends, to the extent set forth herein, certain provisions of the General Agreement (which pursuant to §1.1 of the General Agreement, includes its Annexes and Election Sheet) and shall only apply to and govern all Individual Contracts entered into by the Parties for and concerning the Transfer and acceptance of Transfer of Capacity Certificates (each such Individual Contract a "FR Capacity Certificates Transaction", and collectively, the "FR Capacity Certificates Transactions") save as expressly provided to the contrary with respect to any Section or Sections of the General Agreement or this French Capacity Certificates Appendix. Any and all future Individual Contracts between the Parties that constitute a FR Capacity Certificates Transaction shall be automatically subject to the General Agreement, as it is modified, supplemented and amended by its Annexes, Election Sheet and this French Capacity Certificates Appendix, without any further action by the Parties, unless the agreed upon terms of such Individual Contract expressly provide that it shall not be. For all other types of Individual Contracts, the General Agreement shall remain unchanged. The provisions of the General Agreement are hereby modified, supplemented and amended (except as expressly noted to the contrary herein) only in respect of such FR Capacity Certificates Transactions in accordance with the following.

PART I: **GENERAL TERMS**

- 1) **Subject of the French Capacity Certificates Appendix.** The Relevant Authority plans to establish or has established Rules under which participants may trade Capacities Certificates. The purpose of this French Capacity Certificates Appendix is to modify certain provisions of the General Agreement in order that its terms facilitate the entering into FR Capacity Certificates Transactions between the Parties that include, but are not limited to, forward, spot, option and swap transactions. In addition to the provisions of the General Agreement, the provisions of this French Capacity Certificates Appendix shall therefore be applicable to FR Capacity Certificates Transactions between participants of Capacity Certificates market in France.
- 2) **Definitions and Construction.** Capitalised terms used in this French Capacity Certificates Appendix not otherwise defined herein (including in Annex 1 to this French Capacity Certificates Appendix) shall have the meanings given to them in the Rules. In the event of any inconsistency between definitions found in this French Capacity Certificates Appendix or in the Rules and in the General Agreement, this French Capacity Certificates Appendix's definitions will prevail for purposes of all FR Capacity Certificates Transactions. All references to "Electricity", "Network Operator" and "Transmission", "delivery" or "flows" in the General Agreement shall, in the context of FR Capacity Certificates Transactions, be construed as references to, respectively, "**Capacity Certificate(s)**", "**Relevant Authority**", "**Transfer(s)**" and "**transfer**". References to a Section (§) or Sections (§§) in this French Capacity Certificates Appendix shall be references to a Section or Sections in the General Agreement unless otherwise stated. In the event of any inconsistency between the terms of a FR Capacity Certificates Transaction (whether evidenced in a Confirmation or otherwise) and the provisions of either this French Capacity Certificates Appendix or the General Agreement (as amended by this Capacity Appendix), the terms of the FR Capacity Certificates Transaction shall prevail for the purpose of that FR Capacity Certificates Transaction. References to any law or statute include any amendment to, consolidation, re-enactment or replacement of such law or statute.
- 3) **Concluding and Confirming FR Capacity Certificates Transactions.** All FR Capacity Certificates Transactions shall contain the information stipulated in, and, if confirmed with a Confirmation, shall be substantially in the form of the sample confirmation sheet attached as Annex 2 (A) to this French Capacity Certificates Appendix or, with respect to other types of transactions, in such other form as the Parties may agree.
- 4) **Primary Obligations for Delivery and Acceptance of Capacity Certificates.** For the purpose of FR Capacity Certificates Transactions, § 4 of the General Agreement is hereby deleted in its entirety and replaced with the following new § 4:

§ 4.1 Delivery, Acceptance and Scheduling Obligations.

In accordance with each FR Capacity Certificates Transaction and the Rules Seller shall Schedule, sell and Transfer to Buyer, or cause to be Transferred, and Buyer shall Schedule, purchase and accept Transfer of, or cause such Transfer to be accepted, the Contract Quantity of Capacity Certificates, and the Buyer shall pay to the Seller the relevant Contract Price.

§ 4.2 Electronic Transfer of Capacity Certificates

No later than two (2) days prior to the relevant Delivery Date, the Seller shall (unless otherwise specified in the FR Capacity Certificates Transaction) Schedule the Transfer of Capacity Certificates in respect of the relevant Compliance Period and Contract Quantity to the Buyer's Holding Account with the Relevant Authority in accordance with the Rules applicable on the relevant Delivery Date and the Buyer shall support such Scheduling ("**Electronic Transfer**").

§ 4.3 Definition of Schedule. "Schedule" shall mean, those actions necessary for a Party to effect its Transfer or acceptance (if applicable) obligations, which may include nominating, initiating, requesting and confirming with the Relevant Authority (and if applicable, the other Party) the Contract Quantity of Capacity Certificates, the account I.D. of the Buyer's Holding Account, the Contract Price, the Delivery Date and any other relevant terms of the FR Capacity Certificates Transaction in accordance with the Rules and any other customary industry practices and procedures to ensure that all applicable requirements for effecting Transfer from the Seller to the Buyer by the Delivery Date are met. For the avoidance of doubt, the Parties' obligations to Schedule shall include the obligation to ensure their respective accounts in the Registry are properly established in time to discharge their respective Transfer or acceptance obligations under a FR Capacity Certificates Transaction.

§ 4.4 Payment for Capacity Certificates. In respect of each FR Capacity Certificates Transaction, the Buyer shall pay the Seller for the Delivered Quantity in accordance with the provisions of § 13 (***Invoicing and Payment***).

- 5) **Primary Obligations for Options on Capacity Certificates.** Except to the extent otherwise modified herein, there shall be no change to § 5 (***Primary Obligations for Options***) of the General Agreement with respect to FR Capacity Certificates Transactions.
- 6) **Delivery, Measurement, Transfer and Risk.** For purposes of FR Capacity Certificates Transactions, § 6 of the General Agreement shall be deleted and replaced with the following:

§ 6.1 No Encumbrances. In respect of each FR Capacity Certificates Transaction and at each Delivery Date, the Seller shall Transfer to the Buyer at the Delivery Point, FR Capacity Certificates free and clear of any liens, security interests, encumbrances or similar adverse claims by any person (the "**No Encumbrance Obligation**"). Where a Party is in breach of the No Encumbrance Obligation, the following shall apply:

- (a) The General Agreement and all other Individual Contracts agreed by the Parties under this General Agreement shall continue unaffected.
- (b) Without prejudice to any defences available to the Seller (including, but not limited to, any defences of statutes of limitation or similar), following written notice of that breach from the Buyer to the Seller (irrespective of how long after the relevant Delivery Date such notice is provided):
 - (i) the Buyer shall determine the Encumbrance Loss arising from that breach (the "**Encumbrance Loss Amount**") either on the date such notice is deemed to be received or as soon as reasonably practicable thereafter; and
 - (ii) shall notify the Seller of such Encumbrance Loss Amount due, including detailed support for its calculation.

The Buyer is not required to enter into replacement FR Capacity Certificates Transaction in order to determine the Encumbrance Loss Amount.

- (c) By no later than the third (3rd) Business Day after the later of (i) receipt of a valid invoice in connection with such Encumbrance Loss Amount and (ii) receipt of the above-mentioned notice of detailed support of the Buyer's calculation of the Encumbrance Loss Amount, the Seller shall pay the Encumbrance Loss Amount to the Buyer. Upon payment of the Encumbrance Loss Amount by the Seller, the Parties shall have no further obligations in respect of that Individual Contract and that breach. The Buyer acknowledges that its exclusive remedies in respect of such breach are those set out in this § 6.1.

§ 6.2 Documentation of Actual Deliveries and Receipts. Upon reasonable request of Buyer, Seller shall:

- (a) provide any documentation necessary to the Buyer as may be prescribed by any applicable laws or regulation including but not limited to the Rules; and
- (b) provide any documentation with reference to the Capacity Certificates specified in any relevant Confirmation.

§ 6.3 Seller and Buyer Risks. In respect of each FR Capacity Certificates Transaction, the Buyer and Seller shall, unless otherwise expressly agreed between them, each bear all risks associated with and shall be responsible for its own respective costs in performing its obligations under § 4 (*Primary Obligations For Delivery and Acceptance of Capacity Certificate*). Further, absent express agreement to the contrary between Buyer and Seller, all costs, fees and charges assessed or imposed by a Relevant Authority shall be the responsibility of the Party upon whom such cost, fee or charge is allocated by the Relevant Authority.

§6.4. Reimbursement of External Costs. In the event a Party incurs reasonable external expenses in verifying that the other Party has failed to properly perform its obligations under the terms of a FR Capacity Certificates Transaction, such expenses shall be reimbursed upon demand by the Party that failed to perform.”

- 7) **§ 7 Non-Performance Due to Force Majeure.** For purposes of FR Capacity Certificates Transaction, § 7 of the General Agreement is hereby deleted in its entirety and replaced with the following new § 7 (*Non-Performance due to Force Majeure and Suspension Event*):

§ 7.1 Definition of Force Majeure. “**Force Majeure**” in the context of a FR Capacity Certificates Transaction means the occurrence of an event or circumstance beyond the control of the Party affected by Force Majeure (the “**Affected Party**”) that cannot, after using all reasonable efforts, be overcome and which makes it impossible for the Affected Party to perform its Transfer or acceptance of Transfer obligations in accordance with the terms of this Agreement including but not limited to the suspension, failure or malfunction of the Registry which prevents the Electronic Transfer or acceptance of the Capacity Certificates. For the avoidance of doubt, but without limitation, Force Majeure shall not include an event or circumstance where there are insufficient Capacity Certificates in the relevant Holding Account(s) to effect the required Transfer, whether that insufficiency is caused by the low or non-allocation of Capacity Certificates by a Relevant Authority, the delay or failure of the Relevant Authority to replace a Capacity Certificate or the failure of that Party to procure sufficient Capacity Certificates to meet its Transfer obligations.

§ 7.2 Suspension of Delivery and Acceptance Obligations. If a Party is fully or partly prevented due to Force Majeure from performing its obligations of Transfer or acceptance of Transfer, as applicable, under one or more FR Capacity Certificates Transactions, no breach or default on the part of the Affected Party shall be deemed to have occurred and the obligations of both Parties with respect to the relevant FR Capacity Certificates Transaction(s) will be suspended for the period of time and to the extent that such Force Majeure prevents their performance. During the continuation of Force Majeure, the Affected Party shall continue to use all reasonable endeavours to overcome the Force Majeure. Subject to § 7.4 (*Settlement of FR Capacity Certificates Transaction Prevented by Force Majeure*) below, upon the Force Majeure event being overcome or it ceasing to subsist, both Parties will, as soon as reasonably practicable thereafter (and in any event no later than the third (3rd) Delivery Business Day following the cessation or Parties overcoming such Force Majeure event) (“**Delayed Delivery Date**”), resume full performance of their obligations under the Agreement (including but not limited to §4.2 (*Electronic Transfer of Capacity Certificates*)) in respect of the relevant FR Capacity Certificates Transaction(s), including, for the avoidance of doubt, any suspended obligations.

§ 7.3 Notification and Mitigation of Force Majeure. The first Party learning of the occurrence of an event of Force Majeure shall, as soon as practicable, notify the other Party of the commencement of Force Majeure. Each Party shall then undertake in good faith to determine, and notify the other Party with, to the extent then available, a non-binding estimate of the extent and expected duration of the Force Majeure event and its impact on performance of all FR Capacity Certificates Transaction(s) affected by the event of Force Majeure. The Affected Party shall use all commercially reasonable efforts to mitigate the effects of Force Majeure and shall, during the continuation of Force Majeure, provide the other Party with reasonable updates, when and if available, of the extent and expected duration of its inability to perform.

§ 7.4 Settlement of FR Capacity Certificates Transaction Prevented by Force Majeure.

- (a) **Termination for Force Majeure.** Where Force Majeure continues for a period of time ending on the earlier to occur of: (i) a period of thirty (30) Delivery Business Days from the date that, but for Force Majeure, would have been the Delivery Date of the relevant FR Capacity Certificates Transaction(s); and (ii) the day that falls five (5) Delivery Business Days before the Transfer Deadline, either Party may, by written notice to

the other Party, terminate all (but not less than all) of the FR Capacity Certificates Transaction(s) affected by Force Majeure.

- (b) **Force Majeure Termination Payment.** In the event and to the extent that a FR Capacity Certificates Transaction is terminated in accordance with § 7.4(a), the Parties' corresponding Transfer and acceptance of Transfer obligations under the terminated FR Capacity Certificates Transaction(s) shall be released and discharged. By specifying in Part II of this French Capacity Certificates Appendix which of the following subparagraphs (i) or (ii) they wish to be operative, the Parties shall designate the consequences that will follow as a result of the Force Majeure event and what, if any, rights and obligations they wish to apply between them in the event of termination of a FR Capacity Certificates Transaction due to Force Majeure:
- (i) **No Termination Payment.** No termination payment or other financial settlement obligation shall be applicable (other than, for the avoidance of doubt, payment for any Capacity Certificates Transferred under such FR Capacity Certificates Transaction which were not prevented due to Force Majeure and/or payment of any damages due for non-performance of any portion of the terminated FR Capacity Certificates Transaction(s) not excused due to Force Majeure (hereinafter collectively, "**Unpaid Amounts**")) and each Party shall be permanently released and discharged of any further obligations with respect to the FR Capacity Certificates Transaction(s) terminated by reason of Force Majeure.
- (ii) **Two-Way Loss Termination Payment.** Each Party will determine its Loss in respect of the relevant FR Capacity Certificates Transaction(s) and an amount will be payable equal to one half of the difference between the Loss of the Party with the higher Loss ("X") and the Loss of the Party with the lower Loss ("Y"). If the amount payable is a positive number, Y will pay it to X; if it is a negative number, X will pay the absolute value of such amount to Y. Payments due under this § 7.4(b) shall, unless otherwise agreed, be invoiced and made in accordance with the requirements of the Payment Cycle selected by the Parties in respect of § 13.2 (*Payment*).

- 8) **§ 8 Remedies for Failure to Transfer or Accept.** For purposes of FR Capacity Certificates Transactions, § 8 of the General Agreement is hereby deleted in its entirety and replaced with the following new § 8 (*Remedies for Failure to Transfer or Accept*):

§ 8.1 Failure to Transfer:

- (a) **Two Delivery Business Days Grace Period.** When the Seller fails to Schedule or Transfer to the Buyer the Contract Quantity, in whole or in part, on a Delivery Date as required in accordance with the terms of a FR Capacity Certificates Transaction, and such failure is not excused by an event of Force Majeure, Suspension Event or the Buyer's non-performance, the Seller may, subject to §8.1(c) below, remedy such failure by Scheduling (analogous to §4.2 (*Electronic Transfer of Capacity Certificates*)) and Transferring such Contract Quantity (or undelivered portion thereof) to the Buyer on the second (2nd) Delivery Business Day following the Delivery Date, provided that such day is not on or after the day which is five (5) Delivery Business Days before the Transfer Deadline following the relevant Delivery Date applicable to the undelivered Capacity Certificate(s), and further subject to the additional obligation of the Seller to pay the Buyer, as compensation for its late Transfer, interest calculated as follows for the two Delivery Business Day grace period: Interest for the two Delivery Business Day grace period shall accrue at the Interest Rate specified in §13.5 (*Default Interest*) for the period from (and including) the Delivery Date to (but excluding) the second Delivery Business Day following the Delivery Date on the Total Contract Price of the undelivered Capacity Certificates, such Total Contract Price calculated as follows: the number of undelivered Capacity Certificates multiplied by a fraction determined by dividing the Total Contract Price by the Contract Quantity.
- (b) **Buyer's Remedies for Replacement Capacity Certificates.** Subject to §8.1(c) below, in the event that the Seller fails to Transfer to the Buyer all or any portion of a Contract Quantity as required by § 8.1(a) (*Two Delivery Business Days Grace Period*) in accordance with the terms of a FR Capacity Certificates Transaction, the Seller shall have the obligation to pay the Buyer, as compensation for its failure to Transfer, an amount (hereinafter "**Buyer's RRC**") equal to the sum of:
- (i) the price, if any, in excess of the portion of the Total Contract Price applicable to the Capacity Certificates not Transferred to the Buyer by the Seller, which the Buyer, acting in a commercially reasonable manner either did, or would have been able to, pay to purchase or otherwise acquire in an arm's length transaction from a third party or parties, a quantity of Capacity Certificates necessary to replace the Capacity Certificates not Transferred by the Seller;

- (ii) such reasonable additional incidental costs as the Buyer incurred in attempting to make or making such replacement purchase of Capacity Certificates to the extent those costs and expenses are not recovered in § 8.1(b)(i) above; and
 - (iii) interest accrued during the two Delivery Business Day grace period as provided in §8.1(a).
- (c) **Buyer's Remedies for Penalty.** In the event the Delivery Date of the Capacity Certificates is five (5) Delivery Business Days or less before the Transfer Deadline, §8.1(b) above shall not apply and the Buyer shall be entitled to invoice the Seller for damages calculated in accordance with the following formula:

$$\text{Remedy for Penalty} = \text{UCC} \times [(\text{RPP} - \text{CP})]$$

where: "UCC" means undelivered Capacity Certificates, which is the total number of Capacity Certificates the Seller failed to Transfer;

"RPP" means replacement penalty price, which is the maximum price the Buyer might pay as a penalty or balancing costs to the Relevant Authority in accordance with the Rules for each undelivered Capacity Certificate; and

"CP" means the Contract Price per Capacity Certificate that the Buyer would have been required to pay to the Seller for each undelivered Capacity Certificate comprising the UCC had the Seller not defaulted on its delivery obligation.

The Buyer shall adjust the RPP when the actual penalty suffered by it is imposed and shall, reimburse or invoice, as and if applicable, the Seller the difference between the RPP and the actual amount the Buyer paid as penalty.

§ 8.2 Failure to Accept:

- (a) **Two Delivery Business Days Grace Period.** When the Buyer fails to Schedule or accept Transfer of a Contract Quantity in whole or in part on a Delivery Date as required in accordance with the terms of a FR Capacity Certificates Transaction, and such failure is not excused by an event of Force Majeure, Suspension Event or the Seller's non-performance, the Seller shall, subject to §8.1(c) below, afford the Buyer an opportunity to remedy its failure by again attempting to Schedule (analogous to §4.2 (*Electronic Transfer of Capacity Certificates*)) and Transfer such Contract Quantity (or undelivered portion thereof) to the Buyer on the second (2nd) Delivery Business Day following the Delivery Date, provided that such day is not on or after the Transfer Deadline applicable to the undelivered Capacity Certificate(s), and further subject to the additional obligation of the Buyer to pay the Seller, as compensation for its failure to accept Transfer of the Capacity Certificates, interest calculated as follows for the two Delivery Business Day grace period: Interest for the two Delivery Business Day grace period shall accrue at the Interest Rate specified in §13.5 (*Default Interest*) for the period from (and including) the Delivery Date to (but excluding) the second Delivery Business Day following the Delivery Date on the Total Contract Price of the Capacity Certificates not accepted by the Buyer, such Total Contract Price calculated as follows: the number of Capacity Certificates not accepted by the Buyer multiplied by a fraction determined by dividing the Total Contract Price by the Contract Quantity.
- (b) **Seller's Remedies for Replacement Capacity Certificates.** In the event that the Buyer fails to accept Transfer of all or any portion of a Contract Quantity as required by § 8.2(a) (*Two Delivery Business Days Grace Period*) in accordance with the terms of a FR Capacity Certificates Transaction, the Buyer shall incur the obligation to pay the Seller, as compensation for its failure to accept Transfer an amount (hereinafter "Seller's RRC") equal to the sum of:
- (i) the price, if any, less than the portion of the Total Contract Price applicable to the Capacity Certificates not accepted by the Buyer, which the Seller, acting in a commercially reasonable manner either did, or would have been able to, receive, in an arm's length transaction with a third party or parties, from the resale or balancing action by the Relevant Authority of the Capacity Certificates not accepted by the Buyer;
 - (ii) such reasonable additional incidental costs as the Seller incurred in attempting to make or making such resale of the relevant Capacity Certificates; and
 - (iii) interest accrued during the two Delivery Business Day grace period as provided in § 8.2(a).

§ 8.3 Amounts Payable. Amounts that are due according to this § 8 shall be invoiced and paid in accordance with Payment Cycle B as defined in § 13.2 (*Payment*).

§ 8.4 Remedies for Failure to Transfer or Accept after Cessation of Force Majeure event or Suspension Event.

- (a) Where Seller fails to Transfer to the Buyer the Contract Quantity in whole or in part on a Delayed Delivery Date and such failure is not excused by another event of Force Majeure, another Suspension Event or the Buyer's non-performance, Buyer's remedies for replacement Capacity Certificates shall consist of Buyer's RRC as provided in § 8.1(b) of this French Capacity Certificates Appendix.
- (b) Where the Buyer fails to accept Transfer from the Seller of the Contract Quantity in whole or in part on a Delayed Delivery Date and such failure is not excused by another event of Force Majeure, another Suspension Event or the Seller's non-performance, the Seller's remedies for replacement Capacity Certificates shall consist of the Seller's RRC as provided in § 8.2(b) of this French Capacity Certificates Appendix.

9) Except to the extent otherwise modified herein, there shall be no other amendment to § 9 (*Suspension of Delivery*) of the General Agreement with respect to FR Capacity Certificates Transactions.

If the Non-Defaulting Party elects to terminate only the French Capacity Certificates Appendix together with all FR Capacity Certificates Transactions thereunder, it may do so in the manner prescribed in § 10 (*Term and Termination Rights*) and § 11 (*Calculation of Termination Amount*), but only with respect to its FR Capacity Certificates Transactions and in such manner as to result in the accrual of an amount due from one Party to the other Party analogous to a Termination Amount but concerning only the FR Capacity Certificates Transaction(s) terminated (a "FR Capacity Certificates Termination Amount")."

§ 10.5(d) Failure to Transfer or Accept. § 10.5(d) of the General Agreement is deleted in its entirety.

"Unless expressly agreed, in writing, to the contrary by the Parties, Force Majeure's or Suspension Event's impairment of a Party's ability to perform its obligations with respect to any single FR Capacity Certificates Transaction shall not give rise to a Material Reason for initiating an Early Termination of either the Agreement or this French Capacity Certificates Appendix and all then outstanding FR Capacity Certificates Transactions."

11) Except to the extent otherwise modified herein, there shall be no other amendment to § 11 (*Calculation of the Termination Amount*) or § 12 (*Limitation of Liability*) of the General Agreement with respect to Capacity Transactions.
