The applicant will receive an e-mail from EFET notifying it once the Ratification Letter or E-Notice Agreement has been successfully uploaded into the temporary folder.

Electronic signatures shall not be accepted unless agreed between the Parties; If nothing has been agreed, the ratifying party must use handwritten (wet) signatures. Each counterparty to which the Ratification Letter or E-Notice Agreement is addressed is solely responsible for verifying the authentication and validity of the signature(s) on the Ratification Letter(s) or E-Notice Agreement (to assist with this, please refer to Step 7 below).

STEP 8: EFET Review

 EFET will review the uploaded Ratification Letter or E-Notice Agreement:

1. Whilst the Ratification Letter or E-Notice Agreement is held in the temporary folder, EFET will check the uploaded Ratification Letter or E-Notice Agreement for the following only: (i) all the required information has been completed; (ii) the uploaded document is readable, contains the full document (i.e. the PDF file is complete and there are no missing pages), and does not contain extraneous material; and (iii) the document is signed. This checking process may take up to 48 hours (excluding weekends and public holidays).

2. If there are no issues, EFET will publish (to EFET’s website under “List of Ratifying Parties” in relation to the relevant EFET published document) a copy of the Ratification Letter or E-Notice Agreement as uploaded by the relevant applicant, so that it may be viewed by all Ratifying Parties. EFET will also publish the name of the applicant to the “List of Ratifying Parties”.

3. If there is an issue with the Ratification Letter or E-Notice Agreement, EFET will contact the applicant and guide it through the steps to make corrections and successfully complete the process (the issue may be a typo, an incomplete form or similar). EFET does not accept liability for any issues arising out of the EFET review stage.

Note: This document is not intended to be legally binding. EFET does not accept liability for any representations made within it.
STEP 9: Completion

**Email Notification:** Once EFET has published the applicant’s Ratification Letter or E-Notice Agreement on its website and published the applicant’s name to the “List of Ratifying Parties” in relation to the relevant EFET published document, the applicant will receive an email from EFET indicating this.

EFET may remove from its website any published Ratification Letter(s) or E-Notices Agreement(s) if there is reasonable evidence that the Ratification Letter(s) or E-Notice Agreement(s) are the result of fraud or other criminal activity. Before EFET removes any published Ratification Letter(s) or E-Notice Agreements from its website, it will as soon as possible use all reasonable efforts to notify the relevant ratifying parties and take appropriate actions in conjunction with the relevant parties.
