Check the following box and fill in date ONLY if you are using this TTF Appendix to modify and supplement a previously executed General Agreement between the Parties:

- By executing this TTF Appendix in the signature block at the end hereof, the Parties hereby modify, supplement and amend the terms of that certain previously executed General Agreement entered into and dated as of _____, _____ to provide that the terms of this TTF Appendix shall be incorporated therein and shall be applicable to and thereafter govern all TTF Transactions (as hereinafter defined).

Check the following box ONLY if you are using this TTF Appendix to modify all previously executed TTF Transactions between the Parties:

- All TTF Transactions (as hereinafter defined) concluded before execution of this TTF Appendix shall be governed by this TTF Appendix.

TTF APPENDIX

The provisions of the General Agreement are hereby amended and supplemented in accordance with the following:

1. **Transmission Service Conditions, Gas Conditions and Gas Transportation Conditions**

Capitalised terms used in this TTF Appendix and not otherwise defined herein or in the General Agreement shall have the meanings given to them in the Transmission Service Conditions published by Gas Transport Services B.V. or any successor Entity (“GTS”) from time to time (inclusive of their Appendices and Exhibits) (the “TSC”). References to any particular article or provision of the TSC, the Gas Conditions or the Gas Transportation Conditions are references to the articles or provisions in the versions published at the date of publication of this Version 3.0 of the TTF Appendix and shall, if applicable, be read as references to such article or provision as renumbered or re-referenced from time to time.

For the purposes of this TTF Appendix and all TTF Transactions as defined in Clause 2 below, GTS shall be the relevant Network Operator.

2. **Applicability of this TTF Appendix**

This TTF Appendix to the General Agreement (inclusive of this TTF Appendix’s Annexes) modifies, amends and supplements certain provisions of the General Agreement and, together with the General Agreement, shall apply to and govern all Individual Contracts entered into by the Parties for and concerning the delivery and acceptance of Natural Gas at the TTF (each such Individual Contract a “TTF Transaction”, and collectively, the “TTF Transactions”). Any and all future Individual Contracts between the Parties that constitute TTF Transactions shall be automatically subject to the General Agreement, as it is modified, supplemented and amended by this TTF Appendix, without further action by the Parties, unless the agreed upon terms of such Individual Contract expressly provide that it shall not be subject to this TTF Appendix. In the event of any inconsistency between the General Agreement and this TTF Appendix, this TTF Appendix will prevail for purposes of all TTF Transactions. In the event of any inconsistency between the terms of a TTF Transaction (whether evidenced in a Confirmation or otherwise) and the provisions of either this TTF Appendix or the General Agreement (as amended by this TTF Appendix), the terms of the TTF Transaction shall prevail for the purpose of that TTF Transaction.

3. **Confirmations**

3.1 § 3.2 (*Confirmations*) of the General Agreement shall be amended by adding after the reference in the last line to “Annex 2a – d”, “and Annex 2 TTF (A) – (D)”.

3.2 Annexes 2 TTF (A) – 2 TTF (D) which are attached to this TTF Appendix shall be added to the General Agreement for use in TTF Transactions.

4. **Schedule**

The definition of “Schedule” in § 4.2 (*Definition of Schedule and Applicable Code*) of the General Agreement shall be amended by adding the following at the end:

“For the purposes of TTF Transactions, a Party’s obligations to “Schedule” shall include, without limitation, compliance with all obligations and requirements contained in the TSC and the Gas Conditions.”

5. **Measurement of Natural Gas Deliveries and Receipts**

For the purposes of § 6.4 (*Measurement of Natural Gas Deliveries and Receipts*), the last confirmation issued by GTS in respect of a Time Unit shall be deemed to be an allocation statement from the relevant Network Operator for TTF Transactions whose Total Supply Periods contain that Time Unit.

6. **Force Majeure**

For the purposes of a TTF Transaction, § 7 (*Non-Performance Due to Force Majeure*) of the General Agreement shall apply but with the deletion of the words:

“unless this constitutes a Transportation Failure” from § 7.1 (*Definition of Force Majeure*).

Furthermore, if GTS exercises any of its rights under the TSC or the Gas Conditions to refuse (re)nominations or to reduce confirmed (re)nominations of a Party at the TTF due to a restriction in the availability of the TTF which results in a Party being unable to fulfill in whole or in part any of its contractual obligations under a TTF Transaction and such action by GTS has not been caused in whole or in part by the Claiming Party, then this shall constitute a Force Majeure event with respect to that TTF Transaction.

7. **Remedies for Failure to Deliver or Accept the Contract Quantity**

7.1 For the purposes of TTF Transactions §§ 8.1 to 8.4 (*Underdelivery, Under Acceptance, Overdelivery and Over Acceptance*) inclusive shall be deleted and replaced with the following:

“1. Underdelivery: If in respect of a Time Unit and a TTF Transaction, the Contract Quantity exceeds the Delivered Quantity by reason of Seller’s Default, the Seller shall pay to the Buyer as compensation an amount equal to the product of:

- (a) the amount, if positive, by which the Buy Price calculated for such Time Unit exceeds the Contract Price; and
- (b) the Default Quantity.

2. Under Acceptance: If in respect of a Time Unit and a TTF Transaction, the Contract Quantity exceeds the Delivered Quantity by reason of Buyer’s Default, the Buyer shall pay to the Seller as compensation an amount equal to the product of:

- (a) the amount, if positive, by which the Contract Price exceeds the Sell Price calculated for such Time Unit; and
- (b) the Default Quantity.

3. Overdelivery: If in respect of a Time Unit and a TTF Transaction, the Delivered Quantity exceeds the Contract Quantity by reason of Seller’s Default, the Seller shall pay to the Buyer as compensation an amount equal to the product of:

- (a) the amount, if positive, by which the Contract Price exceeds the Sell Price calculated for such Time Unit; and
- (b) the absolute value of the Default Quantity.

4. Over Acceptance: If in respect of a Time Unit and a TTF Transaction, the Delivered Quantity exceeds the Contract Quantity by reason of Buyer’s Default, the Buyer shall pay to the Seller as compensation an amount equal to the product of:

- (a) the amount, if positive, by which the Buy Price calculated for such Time Unit exceeds the Contract Price; and
- (b) the absolute value of the Default Quantity.

7.2 For the purposes of TTF Transactions the Tolerance shall be zero.

8. Off-Spec Gas

For the purposes of TTF Transactions the provisions of § 8a (*Off-Spec Gas*) shall not apply.

9. Annex 1 – Defined Terms

For the purposes of all TTF Transactions, Annex 1 of the General Agreement shall be amended by:

9.1. the insertion of the following definitions:

9.1.1 “**Bid Ladder**” means the “biedladder” as referred to in the Gas Conditions;

9.1.2 “**Buy Price**” shall be calculated:

- (a) for a Time Unit in a Gas Day during which GTS has in any hour called the Bid Ladder for the delivery of Natural Gas to the National Grid, by taking the highest Transfer Price (Buy) that GTS has paid on the Bid Ladder to buy Natural Gas during that Gas Day (or if there is only one Transfer Price (Buy) paid during such Gas Day, such Transfer Price (Buy)); or
- (b) for a Time Unit in a Gas Day during which GTS has not in any hour called the Bid Ladder for the delivery of Natural Gas to the National Grid, as 120% of the Neutral Gas Price for that Gas Day (unless the Party not in default can show that the actual price it paid to replace the Default Quantity was higher than 120% of the Neutral Gas Price in which case the Buy Price shall equal such actual price paid provided that, in such circumstances, the Buy Price shall never exceed either: (i) the Transfer Price (Buy) that GTS pays on the Bid Ladder the first time it calls the Bid Ladder for the delivery of Natural Gas to the National Grid on the next Gas Day or, if the next Gas Day is not a Gas Business Day, in the period from the start of the next Gas Day until the end of the next Gas Business Day; or (ii) if GTS does not call the Bid Ladder for the delivery of Natural Gas to the National Grid in the period(s) referred to in (i) above, 150% of the Neutral Gas Price for the Gas Day on which the Underdelivery or Over Acceptance occurred);

9.1.3 the term “**Delivery Point**” shall be read as being synonymous with the term TTF;

9.1.4 “**Gas Conditions**” means the “Gasvoorwaarden” published from time to time by the Raad van Bestuur van de Nederlandse Mededingingsautoriteit (or any successor body);

9.1.5 “**Gas Business Day**” means a Gas Day that starts on a Business Day;

9.1.6 “**Gas Day**” has the same meaning as “gas day” in the TSC;

9.1.7 “**Gas Transportation Conditions**” means the “Transportvoorwaarden Gas-LNB” published from time to time by the Raad van Bestuur van de Nederlandse Mededingingsautoriteit (or any successor body);

9.1.8 “**GTS**” has the meaning set out in Clause 1 of this TTF Appendix;

9.1.9 “**National Grid**” has the same meaning as “national grid” in the TSC;

- 9.1.10 “**Neutral Gas Price**” means the “neutrale gasprijen” referred to in paragraph 4.1.6.4 of the Gas Transportation Conditions;
- 9.1.11 “**Sell Price**” shall be calculated:
- (a) for a Time Unit in a Gas Day during which GTS has in any hour called the Bid Ladder for the offtake of Natural Gas from the National Grid, by taking the lowest Transfer Price (Sell) that GTS has received in selling Natural Gas on the Bid Ladder during that Gas Day (or if there is only one Transfer Price (Sell) received during such Gas Day, such Transfer Price (Sell)); or
 - (b) for a Time Unit in a Gas Day during which GTS has not in any hour called the Bid Ladder for the offtake of Natural Gas from the National Grid, as 80% of the Neutral Gas Price for that Gas Day (unless the Party not in default can show that the actual price it received for the Default Quantity was lower than 80% of the Neutral Gas Price in which case the Sell Price shall equal such actual price received provided that, in such circumstances, the Sell Price shall never be less than either: (i) the Transfer Price (Sell) that GTS receives on the Bid Ladder the first time it calls the Bid Ladder for the offtake of Natural Gas from the National Grid on the next Gas Day or, if the next Gas Day is not a Gas Business Day, in the period from the start of the next Gas Day until the end of the next Gas Business Day; or (ii) if GTS does not call the Bid Ladder for the offtake of Natural Gas from the National Grid in the period(s) referred to in (i) above, 50% of the Neutral Gas Price for the Gas Day on which the Under Acceptance or Overdelivery occurred);
- 9.1.12 “**Transfer Price (Buy)**” means the price paid by GTS on the Bid Ladder for the delivery of Natural Gas to the National Grid during an hour in a Gas Day (at the date of publication of this Version 3.0 of the TTF Appendix being either the “verrekenprijen” referred to in paragraph 4.1.5.1a of the Gas Transportation Conditions or, if paragraph 4.1.4.1b of the Gas Transportation Conditions applies, the weighted average price of the bids called by GTS in the hour or, if paragraph 4.1.4.5 of the Gas Transportation Conditions applies, the Neutral Gas Price for such hour);
- 9.1.13 “**Transfer Price (Sell)**” means the price received by GTS on the Bid Ladder for the offtake of Natural Gas from the National Grid during an hour in a Gas Day (at the date of publication of this Version 3.0 of the TTF Appendix being either the “verrekenprijen” referred to in paragraph 4.1.5.1b of the Gas Transportation Conditions or, if paragraph 4.1.4.1b of the Gas Transportation Conditions applies, the weighted average price of the bids called by GTS in the hour or, if paragraph 4.1.4.5 of the Gas Transportation Conditions applies, the Neutral Gas Price for such hour);
- 9.1.14 “**TSC**” has the meaning set out in Clause 1 of this TTF Appendix;
- 9.1.15 “**TTF**” means the Title Transfer Facility as defined in the TSC;
- 9.1.16 “**TTF Transaction**” has the meaning set out in Clause 2 of this TTF Appendix;
- and
- 9.2 by the amendment of the following definition:
- “**Time Unit**” means, in respect of a TTF Transaction, one hour.
